Re: Convention Sponsorship

Dear

Would you like to give your business exposure at a statewide meeting of insurance professionals? The North Carolina Association of Insurance Professionals (previously North Carolina Association of Insurance Women) will be celebrating their 75th anniversary in 2016. Wouldn't you like to be a part of this historical celebration? There are a wide variety of options available to suit your budget.

The Raleigh Association of Insurance Professionals, on behalf of the North Carolina Association of Insurance Professionals (NCAIP), will be sponsoring the 75th annual NCAIP conference from November 11-13, 2016 that will be held at the Holiday Inn SunSpree in Wrightsville Beach, NC. Members and guests are welcome.

NCAIP's annual conference provides networking opportunities; educational opportunities; and top speakers to all that attend. The conference is open to principals, producers and CSR's who sell a variety of insurance and financial products. Let's "Honor the Past; Treasure the Present; and Shape the Future" by providing an environment in which to build alliances; the opportunity to make connections with people of different career paths and levels of experience in the insurance industry and network with people in all lines of insurance, cultural and experience backgrounds, thus allowing not only a personal but professional growth.

Although we have accomplished a lot, we still have much to do. Enclosed, please find a list of items needed for sponsorship or co-sponsorship. Any amount your business would be willing to contribute would be greatly appreciated. A list of all sponsors will be listed in the official meeting program.
