REGION II Service Project

The Hospitality House

Located in Boone, NC, their motto is "Helping Rebuild Lives". This organization enables the transition from crisis to stability, from poverty to sustainability, and from homelessness to housing. They offer much more than bed and bread. They are a place where self-worth is reclaimed, passion is rediscovered, and souls are redeemed. Approximately 80% of homeless individuals only experience homelessness once. The services this organization provides, with the support of partnering agencies, help to ensure that those who leave Hospitality House will have the resources to be self-sufficient.

One of their largest endeavors is their food service program which is extensive. They provide 3 meals a day, 7 days a week, 365 days a year, averaging 10,500 meals a month.

For our 2017 Region II Service Project, we ask that you bring canned or dry goods for a donation to this wonderful organization. In the absence of food, monetary donations will be greatly appreciated.
